ONE CLUB.
ONE FAMILY.

MESSAGE FROM MICK CROSSAN

It has been a challenging season and I would like to thank you for your continued support.

We care enormously about our supporters and the implications our decision making has on you. I can honestly say that we feel this is the best time to make this step change with membership which will bring the London Irish family even closer together. Being part of London Irish goes way beyond having a seat in the stadium. A Membership reflects that sense of belonging. We also believe that the benefits that accompany our Membership scheme will be of advantage to you.

The 2015/16 season hasn't gone the way we expected. We understand where we are, as a Club and as a business. Our expectation for this season was to remain in this league, something we still hope to achieve. If we are to lose our place in the Premiership, I can assure supporters that the Board of Directors are wholly committed to our Club to ensure we continue to write many more chapters in the history of our proud Club.

Finally I would like to finish by saying something you already know – You are a key component of London Irish. Everyone involved in our organisation has a role to play – Phil and I as investors, Bob and his off field team, Tom and the rugby management, George and the playing squad, Nick and the Academy team, our Commercial partners and of course all of you as supporters. We all have passion for this sport and more importantly this Club. We know where we want to get to. Let's get there together.

MICK CROSSAN
LONDON IRISH PRESIDENT

MESSAGE FROM BOB CASEY

Our supporters are more than just purchasers of tickets, they are a vital part of the club and we believe that our introduction of a Membership scheme recognises that.

Our new Membership scheme enables us to better reflect the loyalty that our supporters show each week, standing shoulder to shoulder with the players, owners and staff through the peaks and troughs of the season, of which there have been many in recent years.

Whether you are someone who is in the stands for every home fixture at Madejski Stadium, or a supporter that can only attend a couple of games a season, our new Membership options will enable you to get closer to our Club.

As you will read, we are undertaking to give Members not just a guaranteed ticket for every home match, but also a range of benefits that will enable them to experience an exclusive level of involvement with the club.

The commitment, loyalty and belief we all share can drive this great Club forward and Members will be at the heart of that.

I hope you will join our new scheme and look forward to continuing the journey with you for the 2016/17 season and beyond.

THE MADEJSKI STADIUM

#STRONGERTOGETHER

The Madejski Stadium offers uninterrupted views from every seat in the bowl and first class hospitality suites making it one of the best places to enjoy the Craic and watch the rugby.

SEATING CATEGORIES

Reserved seating in the West Stand and the centre of the East Stand will offer supporters the opportunity to reserve their exact seat for every game, something which we know is important to a lot of our supporters.

Whilst Reserved seating is popular, we are aware that this is not for everyone. There are a significant number of our supporters who like to meet friends at the game and decide where to sit once they arrive at the ground each matchday. The Unreserved seating areas in the East stand offer this flexibility in choosing your seat on the day.
